User Guide

for Applying for Land in RIICO Industrial Areas under
Direct Allotment Policy – 2025

INTRODUCTION

As part of the Rising Rajasthan Global Investment Summit 2024, RIICO launched the Direct Allotment Policy 2025 in March 2025 to accelerate industrial development across the state. The scheme offers entrepreneurs the opportunity to purchase industrial plots at reserved rates, making it easier to establish and expand enterprises in Rajasthan.

Entrepreneurs who enter into a Memorandum of Understanding (MoU) with the State Government under the Rising Rajasthan initiative are eligible to apply for land allotment.

- **Plots up to 50,000 sq. m. :** Direct allotment is granted in cases of a single applicant, while multiple applications are decided through an e-lottery.
- **Plots above 50,000 sq. m. :** Allotment is made on the recommendation of Infrastructure Development Committee (IDC) on the basis of eligibility, land requirement, and other merit-based factors.

Through this initiative, RIICO is making thousands of plots available across well-developed industrial areas in Rajasthan. This User Guide provides a step-by-step guide to the applicants for application process for the Direct Allotment Policy -2025, which can be completed seamlessly through the RIICO website <https://riico.rajasthan.gov.in> or riicoerp.industries.rajasthan.gov.in/directland.
