UDYOG BHAWAN, TILAK MARG, C-SCHME, JAIPUR-302005**

No.: IPI/Tech/

Date: January, 2025

**CIRCULAR**

The Corporation has allotted land to various categories of Units (Industrial/ Commercial/Institutional etc.) in the industrial areas and some of the Units may be fire prone. It has been observed by the Management that sometimes incidents of fire due to reasons like Gas leakage, Short Circuit etc. occurs in these units, which causes damages in the units as well as spreads fear among the entrepreneurs of the industrial area. RIICO has constructed fire stations as well as procured fire tenders which are either operated by RIICO itself or by Local Municipal Bodies.

During the incident of fire, it is the prime responsibility of the concerned Unit Head as well as the Technical Officer looking after that Industrial Area to take cognizance of such incident, to reach at site and to inform to the Management/Head Office about such incidents immediately. The Unit Head/Technical Officers of the industrial areas are also required to take immediate action to get the fire extinguished.

Such incidents have been viewed seriously by the Management and it has been directed that henceforth timely action should be ensured and also to apprise the Management as well as Head Office immediately.

This is being issued with the approval of Managing Director.
