Dated: 24.10.2025

ORDER (44/2025)

Sub: Substitution of existing rule of 20 (C) of RIICO Disposal of Land Rules, 1979.

An agenda item (19) was placed before the Board of Directors (BoD) in meeting held on 10.07.2025 for substitution of existing Rule 20(C) of RIICO Disposal of Land Rules, 1979. After detailed discussions, the Board of Directors (BoD) accorded approval for the following:-

- (i) The definition of industry (as annexed to the agenda note) be introduced at appropriate place in the RIICO Disposal of Land Rules, 1979 and also recommended to the State Government to insert the said definition of making suitable changes therein in the relevant act/rules wherever required.
- (ii) The proposal given in the agenda note be submitted to the State Government through Administrative Department with covering note that Board of Directors has accorded approval to frame afresh policy for allowing change of one permitted activity to another permitted activity including residential activities within its industrial areas subject to payment of requisite charges as indicated in the annexure with the agenda note and riders imposed thereon. It was directed that the proposal be sent to the State Government in response to its earlier communication dated 22.02.2003.
- (iii) Depending upon the response of the State Government existing provisions of Rule 20(C) of RIICO Disposal of Land Rules, 1979 be changed thereafter.
- (iv) Managing Director, RIICO be authorized to issue necessary guidelines whenever necessary to implement that said policy in consonance with the main principles of the said policy and the directives of the Hon'ble Court/State Government if any.

In compliance of directions of the Board of Directors, the proposal was submitted to Principal Secretary to the State Government, Department of Industries & Commerce, Secretariate Jaipur vide letter dated 20.08.2025 for substitution of existing Rule 20-C of RIICO Disposal of Land Rules, 1979. The State Government has accorded approval on the proposal of RIICO vide letter dated 18.09.2025.

On approval of the State Government, and as per the decision BoD dated 10.07.2025, the existing Rule 20(C) of RIICO Disposal of Land Rules, 1979 is substituted as under:

Substitution of Rule 20(C) as under:

Rule 20(C) :- Change of one permitted activity to another permitted activity on the allotted plot.

1. Charges for permitting change from one permitted activity to another permitted activity:

S. No.	From	To	Permission Charges
1	Industrial	Commercial	Twice the prevailing rate applicable to the industrial area concerned.
2	Industrial	Residential	One and a half times the prevailing rate applicable to the industrial area concerned.
3	Industrial	Institutional	One and a half times the prevailing rate applicable to the industrial area concerned.
4.	Present Use	Mixed Use	The maximum applicable rate for the intended use over the entire parcel of land proposed for conversion.
5	Commercial	Industrial/Residential/ Institutional	0.10 times the prevailing rate applicable to the industrial area concerned.

Explanation:

- (1) In cases where prior permission has not been obtained for change of activity from one industrial use to another (as per classifications existing before the insertion of the definition of "Industry"), the Lessee shall be liable to pay additional charges at the rate of 0.10% of the prevailing rate

G. A. V.

of industrial area concerned, in addition to the applicable permission charges as indicated above.

- (2) In cases where prior permission has not been obtained for change of activity from industrial use to such industrial use which was not defined as Industries earlier in RIICO Disposal of Land Rules, 1979, the Lessee shall be liable to pay additional one-time charges at the prevailing rate of industrial area concerned, in addition to the applicable permission charges as indicated above.

2. Terms & conditions for considering the change in permitted activity

- (1) In case of vacant/un-utilized industrial plot, change from one permitted activity to another permitted activity within a period of 3 years may be considered on payment of additional charges equivalent to 25% of the prevailing allotment rate, in addition to the applicable normal charges.
- (2) No change in the activity shall be allowed for plots allotted under the provisions of Rule 3(E) and Rule 3(W) of the RIICO Disposal of Land Rules, 1979, unless the land has been utilized for the purpose for which it was originally allotted.
- (3) Change in the permitted activity on any allotted plot/land shall be allowed only if the proposed use is in conformity with the prevailing Building Byelaws/Regulations of RIICO.
- (4) The application in prescribed Format-A for change of permitted activity shall be submitted through SSO Portal accompanied with non-refundable processing fee of Rs. 25,000+GST.
- (5) The Lessee shall also submit a copy of the title document (such as the Lease Deed, Sale Deed, or Sale Certificate) along with the application. In cases where the plot is mortgaged to a financial institution, a No Objection Certificate (NOC) from the respective institution must be submitted along with the application.
- (6) The time period for utilizing the plot/land for the newly permitted activity shall be reckoned from the original time period allowed for the initial activity, if plot is not utilized. In case of utilized plot, the allottee has to utilize the plot for the changed permitted activity within a period of 3 years from the date of issuance of in-principle approval. In case allottee fails to utilize the plot the allottee shall be required to apply for an extension of time to complete the intended use under the changed activity.

Handwritten signature

- (7) The proposal for change of activity shall be placed before the Land Plan Committee (LPC) for approval. The LPC shall be headed by the Managing Director, and shall comprise the following members: Executive Director, Advisor (Infrastructure), Advisor (A&M), Concerned Unit Head, and Concerned Officer of Town Planning shall be the Member Secretary.
- (8) In cases where permission for change of activity has been granted and the lessee has deposited part or full permission charges, the amount so deposited shall be non-refundable, irrespective of whether the Lessee utilizes the permission or not. However, extensions may be granted by the Managing Director on a case-by-case basis depending upon merits, subject to the payment of the requisite charges.
- (9) The payment schedule for permission charges will be as under:
- I. In-principle permission for change of permitted activity shall be issued by the Unit Office, subject to the lessee depositing 25% of the permission charges, applicable betterment levy (if any), and full GST, within 30 days from the date of issuance of the letter.
 - II.
 - (i) The remaining 75% of the permission charges shall be payable in three quarterly instalments, with interest at 8.5% per annum or rates to be decided by the Corporation from time to time on a reducing balance basis. First instalment shall be due on 91st day from the date of issuance of in-principle permission. Thereafter subsequent Second and Third instalment will be due on 181st day and 271st day from the date of issuance of in-principle permission.
 - (ii) Delay in payment shall attract additional interest at 2% above the normal rate, calculated on the overdue principal from the due date until the actual date of payment.
 - (iii) The applicant will have option to deposit entire permission charges before the due date of last instalment.
 - (iv) Upon receipt of the initial 25% payment, building plans preferably will be approved within 30 days by unit office concerned;
- 

(v) Final permission for change of activity shall be issued only after receipt of full permission charges. Creation of third-party rights, including execution of a sub-lease, shall not be allowed until the entire payment of the requisite charges is made to RIICO.

(vi) In cases, where activities were carried out by the allottee without obtaining prior written permission, the requisite charges shall be paid by the allottee in one go along with additional charges @ 0.10% of the prevailing rate of industrial area concerned within 90 days from the date of issuance of demand by RIICO. In such cases:-

- The Lessee shall furnish an affidavit on a requisite non-judicial stamp paper to this effect that he will align his construction/use as per the building bye-laws/regulations of RIICO within a period of one year from the date of applying for such permission.
- Merely deposition of applicable charges in such case, shall not be construed as a regularization of any activity or permanent change in land use.
- The Lessee shall indemnify RIICO against any legal dispute, third-party claims, or liabilities arising out of such permission, including violations of local laws or regulations

III. Sub-leasing of built-up space, except for public amenities as per the approved building plan, shall be permissible

(10) If the allottee fails to deposit the charges within the prescribed time, a notice shall be issued. In case of non-response or reply is found unsatisfactory, in-principle permission will be withdrawn.

(11) The allottee of the plot will be required to execute a supplementary deed after permission for a change in permitted activity and get it registered with the registering authorities on his own expenses.

(12) To deal the matters related to the extension of time for utilization of land/plot after permission, including extension of time to deposit the installments on account of permission charges, the Managing Director shall be empowered, depending upon the merit of each case. In such a case, the charges shall be recovered in accordance with Rule 21 and Rule 23 of the RIICO Disposal of Land Rules, 1979,

17/3/99

respectively or any other identical provision in force at that point of time.

Special Notes:

1. Change of permitted activity for Commercial/ Institutional purpose under this rule will be considered only for the plots located on the roads having Right of Way 18 mtr. or above. However, in cases wherein the criteria of minimum Right of Way 24 Mtr. or above is specified in the building regulation and parameters then the same will be observed while considering the case.
2. Change of permitted activity for non-industrial purpose beyond 20% of the total scheme area of the industrial area concerned shall be placed before the IDC for consideration and IDC will decide on case-to-case basis depending upon merit of the case.
3. Weigh bridges in allotted industrial plot for captive use will be considered without change of permitted activity. Construction of Weigh-bridge platform may be allowed within setback area. However, weigh bridges for captive use will be permitted only in industrial plot having area more than 1500 sq.mts. without charges by the committee constituted for change of permitted activity.
4. For change in activity on part plot, sub-division charges as applicable under the policy/rules for sub-division of plots will be charged in addition to applicable permission charges.
5. If the allottee fails to deposit the permission charges as per prescribed schedule or in extended period, the provisional/in-principle/final permission for change in permitted activity will be withdrawn and deposited permission charges will be refunded after deducting payable dues and charges equivalent to 0.10 times of prevailing rate of allotment of industrial area concerned.

Procedure for submitting application for change in permitted activity :-

- I. Allottee or its authorized representative of the plot will submit an online application on the SSO Portal in the prescribed format as FORMAT – A along with deposition of non-refundable processing fee of Rs. 25,000 + GST through SSO ID.
