OFFICE ORDER (4/2019)

Subject: Procedure for publishing vacant allottable industrial plots on RIICO web site

To publish vacant allottable industrial plots on RIICO web following actions are to be taken:

- a. Respective Unit office prepare a list of all available vacant allottable plots in particular Industrial area with sizes (plot dimension), area, rate of allotment of Industrial plot and type of industries to be allowed. Date of update to be mentioned on the list.
- b. Respective Unit office mark all listed available vacant allottable plots on updated layout plan of Industrial area and scan image of layout plan is to be uploaded on the RIICO website. Date of update to be mentioned on the layout plan.
- c. In addition to above, unit office shall also mark Fire Station & Police Station under operation at Industrial Areas in respective layout. If not available in the Industrial area distance of nearest Fire station & Police Station shall be mentioned.
- d. Marking of Electric Substation (GSS) under operation at Industrial Areas in respective layout with its capacity, any upgradation proposed of existing GSS shall also be done.
- c. Above information shall be forwarded to Computer Cell (HO). Computer Cell create a popup 'allotable vacant industrial plots' in menu bar section- 'Land availability'. In popup 'allotable vacant industrial plots', a list of Industrial Areas, district wise shall be provided, which will further provide list of vacant plots and scanned image of respective industrial area in pdf format.
- d. Above information shall be provided on website within 7 days.
- e. The respective unit office shall update the list as well as image immediately, if there is any change. Such changes shall be informed by respective Unit office to the Computer Cell (HO) to update the information.

This bears the approval of the Managing Director.
