No: IPI/P-5/2013/46 / 1593  
Dt: 19. March, 2019

**OFFICE ORDER**

The IDC vide item (4) of its meeting held on 12.12.2018 has accorded approval to authorize Managing Director for allotment of industrial land/plots through the process of e-auction on case to case basis in "Fast Moving" Industrial Areas even before the industrial area is declared saturated by dispensing with the existing provision of allotment of industrial land/plots on "First Come First Serve" basis in unsaturated industrial areas.

In view of the said decision of the IDC, the Managing Director of the Corporation has considered industrial area Karoli as a Fast Moving industrial area for the purpose of allotment of vacant industrial land/plots in all zones through the process of e-auction before declaring the industrial area as saturated.

While taking the said decision, the Management of the Corporation has also directed that all Unit Heads shall regularly review allotment process of various industrial areas in their jurisdiction and send proposals for early declaration of the industrial area concerned as saturated (as per IDC decision dated 24.08.2018 and relevant office order No. 19/2018 dt. 07.09.2018), or for allotment through e-auction ( as per IDC decision taken in the meeting dated 12.12.2018 and relevant office order No. 01/2019 dt. 09.01.2019), as and when a case is made out.

This is being issued with the approval of the Managing Director.
