

No: IPI/P-6/P&D/2007/Pt-III/ 158  
Dt: 19 May, 2011

OFFICE ORDER (16/2011)

**Sub:** Amendment in existing provision which allows re-designating a saturated industrial area as unsaturated industrial area consequent to addition of saleable land in the stock on account of surrender/cancellation of allotted plots.

An agenda item (9) on the subject matter was placed before the IDC of the Board of Directors of its meeting held on 04.05.2011. The Committee has decided that once an industrial area is declared saturated then it will continue to be classified as saturated irrespective of subsequent cancellation/surrender of allotted industrial plots.
