OFFICE ORDER (No. 23 /2011)

Sub: Regarding permitting vertical development in industrial plots in RIICO industrial areas

An agenda item on the subject matter has placed before the Infrastructure Development Committee vide item (15) of its meeting held on 18.2.2011 and the IDC constituted a Sub Group to examine the issue and give its recommendations. The recommendations of the sub group were apprised to the IDC vide point 3 of item (3) of its meeting held on 4.5.2011. Based on the recommendations of the sub-group, the IDC has accorded approval of following:

The Corporation may consider to approve construction of building structures, which are parts of plant and machinery of an industry and also imperative for project needs/technical requirements, beyond maximum permissible height of 15 mts. subject to obtaining of NOC from other concerned authorities, like Fire Fighting and Air Port if required. However, for the height of chimney in an industrial plot, the norms set by Rajasthan Pollution control Board would continue to be followed. Such cases will be decided by a Committee headed by the Managing Director: Advisor (Infra) and Manager (Planning)/DTP are its members.
