**Sub: General directions to allow change of name of the
allottee from Department of Telecommunication (DoT)
to BSNL.**

It has been observed that the Corporation had earlier allotted land to Department of Telecommunication, Government of India in various RIICO industrial areas in Rajasthan. Subsequently vide Office Memorandum dated 30.11.2000 issued by the Government of India, assets and liabilities of Department of Telecommunication have been transferred to Bharat Sanchar Nigam Limited (BSNL). In view of this request from BSNL are being received to record the change of name from DoT to BSNL for the lands allotted earlier to DoT and the matters are being referred to Head Office for approval on case to case basis.

Keeping in view the above, this matter has been examined and it is observed that since the assets and liabilities of DoT have been transferred by Government of India in the name of BSNL therefore, it has been decided by the Management that on receipt of application from BSNL for change of name of the such allotted land from DoT to BSNL then same may be allowed at the Unit Office level without levy of any transfer premium subject to condition that no dues are outstanding against the such allotted land.

This bears approval of M.D.
