Sub: - Provisional rate of service charges for F.Y.2020-21.

In terms of decision taken by IDC in its meeting on 06.08.2019, provisional rate of service charges for financial year 2020-21 will stand revised as follow:-

1. The rates of service charge for the financial year 2020-21 are to be calculated by increasing the service charges rate of the financial year 2019-20 by 10%, subject to maximum of Rs.10.70 per sqm. and minimum of Rs.1000/- for an industrial plot. (The rate of service charges has been rounded off to nearest 10 paisa.) However, maximum ceiling of Rs.10.70 per sqm. will not be applicable in case of SEZ/ EPIP. Levy of minimum service charges in respect to commercial and residential plots shall be made as per rule 15(A) (ix) & (x).
2. In case of industrial areas falling in category-'C' for eight industrial areas where water supply scheme was planned/commenced earlier but subsequently abandoned, service charges be levied at revised rates of service charges worked out as per (1) above or Rs.5.50/- per sqm., whichever in less.

All the unit heads are advised to raise the demand of service charges for F.Y. 2020-21 accordingly.
