OFFICE ORDER

Sub:- Fixing the rate of service charges for F.Y.2019-20.

This is in continuation to office order No. IPI/F-1(9)-6/ VII/22 dated 26.04.2018 regarding fixing of rates of service charges. The management of the corporation in past had decided that rate of service charges be based @ 1% of the prevailing rate of development charges of the concerned area, taking rate as on 01.04.2012 as base year subject to maximum of Rs. 5/- per sqm. and minimum of Rs. 1000/- for industrial plots and adding 10% annual increase therein for past years. Accordingly, the rates of service charge for the financial year 2019-20 are to be calculated by increasing the service charges rate of the financial year 2018-19 by 10%, subject to maximum of Rs.9.75 per sqm. and minimum of Rs. 1000/- for an industrial plot. However, maximum ceiling of Rs.9.75 per sqm. will not be applicable in case of SEZ/ EPIP. Levy of minimum service charges in respect to commercial and residential plots shall be made as per rule 15(A) (ix) & (x).

All the unit heads are advised to raise the demand of service charges for F.Y. 2019-20 accordingly
