OFFICE ORDER

Sub: Relaxation in certain terms and conditions of allotment of land made at industrial area, Punayata, Pali.

An agenda item no. (6) was placed before the Infrastructure Development Committee of the Board of Directors of RIICO in its meeting held on 02.03.2015. The IDC has accorded approval for allowing transfer of allotted plots in the captioned area after 5 years from the date of allotment, as was earlier done by Unit Office in cases of transfer of 22 plots.

The Committee also reiterated its earlier decision taken vide item 4 of meeting held on 29.5.2013 regarding not to regularize unauthorized construction in the set-backs of the plots allotted in this industrial area. However, transfer of plot/change in constitution would be allowed after obtaining an undertaking from the Transferee/Allottee to this effect that unauthorized constructions would be removed within six months from the date of transfer/change in constitution, as the case may be.
