**Sub: Revision of building parameters for industrial buildings in
RIICO industrial area.**

RIICO has recently launched a unique scheme and revised the building regulations vide office order (12/2013) dated 14.06.2013. Under the new norms for setbacks, the industrial units in RIICO industrial areas will be able to avail higher actual uses of their industrial plots. This revision in the norms for setbacks will provide 15 to 20% extra ground coverage for undertaking further expansion. The above office order has already been sent to all the unit offices on 14.06.2013. All the unit heads are directed to inform the concerning local associations about the new guidelines. Unit heads are also directed to hold meetings with the association members to apprise the guidelines within 7 days positively.
