OFFICE ORDER

Sub: Permission for Hotel in Industrial plots at Industrial areas

The permission for 'Hotel' is being granted in allotted Industrial plots as per the rules by the constituted committee for change of land use. In the committee meeting held on 2.4.2012 it was decided that in cases, construction in the plot (for which in-principle permission for hotel has been granted) is not as per the prescribed building parameters for hotel, the same has to be demolished/modified by the allottee within 2 months. After verification of the same on site, formal orders for permission of Hotel may be issued by Unit office. In case the applicant does not demolish/modify existing structure within prescribed time, the permission shall automatically stand withdrawn.
