Subject: Category of Industrial Areas for visualization of data on RIICOGIS

Under the project - 'Carrying out Geospatial Drone Survey and Development, Implementation & Maintenance of Enterprise Geospatial Solution for RIICO Industrial Areas (IAs)', application has been hosted on RIICO website at 'riicogis.rajasthan.gov.in/riicogis' (for official use) and 'riicogis.rajasthan.gov.in/riicogiscitizen' (for citizens). On this website, Industrial Area/Lands may be visualized in three categories. These categories are defined as below:

S. No.	Name of Category	Definition/Criteria	Visibility	
			For Official Use	For Citizens
1.	**All Industrial Areas**	Comprising all existing industrial areas/lands developed/ semi-developed/ undeveloped, already opened for allotment, upcoming industrial areas and Raw lands	At a glance without any filter	At a glance without any filter except Raw lands
2.	**Upcoming Industrial Area**	Comprising Industrial Areas for which Administrative Sanctioned (AS) has been issued. After Industrial Areas opened for allotment shall be deleted from this category. Explanation: At the time of AS, possession of land of Industrial Area vest with corporation, layout plan has been approved and rate of allotment has been established.	On browsing on special button	On browsing on special button
3.	**Raw Land**	Identified lands for Industrial development in the future.	On browsing on special button (only profile will be	-

		Explanation: Such lands which are identified for the industrial development in the future. These lands may be under process of allotment/ acquisition/ set apart etc., under possession but under planning/ under process of approval of Environmental Clearance etc. If, tentative layout plan has been prepared same may hosted.	visible on portal).	

Data Updation:

- Technical Cell shall be responsible for updating the data of Upcoming Industrial Areas. After sanction of each AS & opening of Industrial Area for allotment, data shall be update. Technical Cell shall periodically monitor & update the data.
- Land Cell shall be responsible for updating the data of Raw Land. Details of land with area, Khasra plan shall be update by Land Cell periodically and monitor the data. After planning of said raw land, Town Planning Cell shall remove the said raw land from the list.

It bears approval of the Managing Director, RIICO.

(Gaurav Chaturvedi)
Advisor (Infrastructure)
