

## **Government of Rajasthan launches Online Interactive Interface for investors to keep track of progress on MoUs signed during 'Rising Rajasthan' Global Investment Summit—2024**

**Interface will allow investors to check current status of MoU, submit query, share feedback & seek appointment with Department Secretaries**

**Jaipur, 28 January. State Government has launched an interactive online interface for investors those signed MoUs during the recently concluded 'Rising Rajasthan' Global Investment Summit- 2024. The interface, launched by the Industries Department's nodal agency for investment promotion, Bureau of Investment Promotion (BIP), will allow investors to check current progress on their respective MoU, submit queries to the respective department and share feedback/inputs in a seamless manner.**

**The investors will be able to access the information related to their respective MoU by signing into the portal with the help of their registered mobile number and their MoU unique identification number. After successfully verifying their credentials on the portal, the investor will be able to avail all the MoU details including the current status, milestones and tasks that have been completed along with the real time status of all approvals.**

**The online interface will also allow the investors to seek an appointment with the concerned Department**

**Secretary/Commissioner to share their inputs, feedback and grievances that will facilitate expeditious approvals from the concerned department.**

**Shri Ajitabh Sharma, Principal Secretary, Industries said, “The launch of this interactive investor interface is a crucial step to build confidence among investors, handhold them at every step, enhancing the accountability of all departments towards expeditiously implementing the MoUs signed during the investment summit.”**

**Speaking about the significance of the online investor interface, Shri Inderjeet Singh, Commissioner, Bureau of Investment Promotion (BIP) said, “The investor interface clearly delineates the milestones that are to be completed by various departments during the implementation of an MoU. The portal will enhance accountability and keep the investors updated about the status of their MoU.”**

**The Government of Rajasthan under the leadership of Hon’ble Chief Minister Shri Bhajan Lal Sharma successfully concluded the investment summit in December last year signing the record investment proposals worth INR 35 lakh crore. Since the conclusion of the investment summit, the government has adopted a whole of government approach to expeditiously and successfully implement the signed MoUs.**
